

CURRICULUM VITAE

Name: **SNIGIREVA Irina** (female).

Date and place of birth: June 28, 1957, Yoschkar-Ola,
Russia

Nationality/Citizenship: Russian and French / France.

Family: married:
husband Snigirev Anatoly,
19.03.1957, Russian/French,
daughter Snigireva Anna,
16.01.1979, Russian/French

Address:
669 Ch. de Chartreuse, 38330 Saint ISMIER, France

Education:
1980: Postgraduate degree (Moscow Steel and Alloys Institute)
1988 Ph.D. in Physics and Mathematics. Thesis: "Defect structure of semiconductor materials".

Career/Employment
1980 – 1984 Postgraduate, Research Assistant, Institute of Solid State Physics Russian Academy of Sciences (ISSP RAS) Chernogolovka, Moscow district, Russia
1984 – 1988 Junior scientist, Institute of Microelectronics Technology RAS (IMT RAS), Chernogolovka, Moscow district, Russia
1988 - 1993 Scientist, Institute of Microelectronics Technology RAS, Chernogolovka, Moscow district, Russia
1993 - 1996 Scientist, ESRF, Grenoble, France
Since 1996 permanent employment, engineer, ESRF, Grenoble, France

Awards:
2010 **Innovation Award** on Synchrotron Radiation for "Pioneering work in the Development of Compound Refractive Lenses for Synchrotron Radiation and their Applications"
Society of Friends of Helmholtz-Zentrum Berlin

Special fields: Coherent X-ray optics and imaging: phase contrast imaging, holography and interferometry, development of refractive optics for hard X-ray microscopy.

WEB of Science:
Number of publications - **230**, Hirsch h-index – **32**
